SUBJECT: **GROUP HOME PROGRAM MONITORING REPORT – MARY'S
SHELTER GROUP HOMES - HOUSE ONE AND HOUSE TWO
TRANSITION GROUP HOMES**

We have completed a review of House One Group Home and House Two Transition Group Homes operated by Mary's Shelter. Each Group Home contracts with the Department of Children and Family Services (DCFS) and the Probation Department (Probation).

House One is an eighteen-bed facility, and House Two is a twelve-bed facility. Both facilities provide care for pregnant and parenting girls who exhibit behavioral, social and emotional difficulties. At the time of the monitoring visit, House One was providing services for eight Orange County children. House Two was providing services for three Los Angeles County DCFS children, and three Orange County children.

Mary Shelter Group Homes are located in Orange County.

Scope of Review

Since House One Group Home was not providing services for any Los Angeles County children, the review included a facility inspection, covering basic child safety and licensing issues.

"To Enrich Lives Through Effective and Caring Service"

The purpose of the review for House Two Group Home is to determine whether the Agency is providing the services as outlined in their Program Statement. Additionally, the review covers basic child safety and licensing issues, and includes an evaluation of the Agency's Program Statement, internal policies and procedures, child case records, a facility inspection, and interviews with children placed in the Group Home at the time of the review. Interviews with children are designed to obtain their perspectives on the program services provided by the Agency, and to ensure adherence to the Foster Youth Bill of Rights.

Summary of Findings

Based on an inspection of the facility, there are no areas where House One Group Home needs improvement at this time.

Generally, House Two Group Home is providing the services as outlined in their Program Statement. House Two needs to assess children for needed services within the first thirty days of placement; and develop Needs and Services Plans that are comprehensive, and include long and short term goals.

Attached is a detailed report of the review.

Review of Report

We discussed our report with the Agency's management. In response to the recommendations made in the report, the Agency's management completed a corrective action plan (attached) which we approved. We thank the management and staff for their cooperation during our review.

If you have any questions, please contact me, or have your staff contact Mike Pirolo at (626) 293-1110.
